

EMPOWER OUR WORKFORCE

BY DONATING TO THE
IHCA FOUNDATION

Founded in 1988 by the Iowa Health Care Association (IHCA), the mission of the IHCA Foundation is to foster excellence in long-term care for Iowans by building a stronger workforce. The IHCA Foundation carries out this mission by empowering individuals to reach their career goals in the long-term care profession through scholarships, career education and career access programs.

The IHCA Foundation thanks its active donors who have provided leadership and support to empower our long-term care workforce.
