

SAVE TIME + MONEY WITH IHCA PROVIDER SOLUTIONS

PROFESSIONAL CONSULTING

This solution provides IHCA members with expert facility-level Minimum Data Set (MDS), Electronic Health Record (EHR) and quality consultation services from qualified specialists designed to improve quality and maximize reimbursement results.

GROUP PURCHASING

This solution, offered in partnership with HPSI Purchasing Services, provides IHCA members with discounts on the products and services that they are likely already purchasing every day to care for residents, tenants and patients and to run operations, and includes added benefits such as consulting support, spend analysis, loyalty reward benefits, e-Procurement access and quarterly business reviews.

ENDORSED PRODUCTS

This solution provides IHCA members with access to products and services from Iowa and national companies to meet organizational needs. Available product categories include facility supplies, employee benefits, education resources, information services/data products and insurance services.

IOWA HEALTH CARE QUALITY PARTNERS (IHCQP)

IHCQP is a network of 200 independent long-term care and post-acute care providers joined together for the purpose of reducing overhead costs and pursuing more profitable business ventures, including reimbursement and value-based contracts with managed care organizations (MCOs).
