CREATE SOMETHING REVOLUTIONARY

IHCA's 2023 Convention is quickly approaching and you are encouraged to participate in this year's Convention Poster Showcase! Create a facility/company poster that features your staff and/or residents/tenants/patients.

Advance your imagination! Feature photos of events from your organization, such as residents/tenants/patients interacting with younger generations, innovative programs or new projects and services, or play into this year's theme of "Focus on the Future" to make a fun, eye-catching design that is **ahead of its time!**

Attention activity professionals: This would be a great way to involve your residents/tenants/patients and your team in a fun project to show off your organization!
