ABOUT

The AHCA/NCAL National Quality Award Program helps you evaluate your organization's strengths and opportunities, identify critical areas for improvement and implement a plan to be stronger, more resilient and successful than ever before.

The three-level program evaluates long-term care organizations' capabilities against nationally recognized standards for excellence, **making it one of the most comprehensive and cost-effective performance assessments available to providers.**

LEARNING OBJECTIVES:

1

Complete the Bronze Award application from beginning to end with coaching support along the way.

2

Gain a better understanding of what examiners are looking for and how to use the award criteria as an improvement tool.

3

Learn how to use the award process to focus, align and accelerate performance excellence efforts.
