

Long-Term Care Office Hours

Open office hours for long-term care facilities in Iowa

PURPOSE

The Iowa Department of Health and Human Services (HHS) Healthcare Associated Infections (HAI) team hosts monthly open office hours. The office hours provide an open forum where attendees can ask questions regarding **infection prevention and control**.

AUDIENCE

This forum is for the staff and representatives of long-term care facilities to ask questions related to **infection prevention and control practices** in their facility and is not limited to any one particular disease or condition.

TIME AND PLACE

Open office hours are held on the **first Tuesday of every month, at 12:00 P.M.** central time. Each session lasts **30 minutes**.

If the first Tuesday of the month is a holiday, the office hours will occur on the next Tuesday.

AGENDA

Includes brief updates at the top of the hour, no longer than 5 to 15 minutes, with remaining time for questions.

Attendees can join anytime during the 30 minute session to ask questions and are not required to stay the entire session.

REGISTRATION

[Click here](#) or scan the QR code to register.

*Please note that the above registration will say August 4th as that is the last meeting in the series. A follow up email with a calendar invite to the series will be sent to the email used for registration.
